

# Friends of the Committee Newsletter

Term 2, 2019

Friends of the Committee is a group of parents and whanau who take responsibility for organising various activities to support Kidsway.

The Friends of the Committee is affiliated with and responsible to the Board and holds meetings at Kidsway at an agreed time. All parents are warmly invited to attend these meetings and/or help provide parent support in many of the activities throughout the year.

The Committee is an excellent medium for parents or caregivers to meet others, particularly those who are new in the area, and who have an interest in the activities of their children inside and outside of Kidsway.

## WITH THANKS

Last Term we also had a Sausage and Cake stall outside Mitre 10 which raised us over \$400.00 and was a great morning spent with parents and the community. We followed this up with Whitakers Chocolate sales which is once again another successful effort! We are expecting to have raised over \$1,500 for this.

## COMING UP

Oxford Pie Orders will be out soon

Learn how you can purchase name tags, lunch boxes, drink bottles and more while supporting Kidsway.

## WHERE THE MONEY GOES

This term the main expenses of the Friends of the Committee goes towards our Kidsway trip to Kelly Tarltons. We expect that this contribution will be at about 70% of the cost.
